

Third Quarter 1999

CORPORATE SCOREBOARD

Glossary

SALES: Includes all sales and other operating revenues. For banks, includes all operating revenues.

PROFITS: Net income before extraordinary items. For banks,

profits are net income after security gains or losses.

MARGINS: Net income from continuing operations before extraordinary items as percent of sales.

RETURN ON COMMON EQUITY: Ratio of net income available

for common stockholders (most recent 12 months) to latest available common equity, which includes common stock, capital surplus, and retained earnings.

PRICE-EARNINGS RATIO: Based on Oct. 29, 1999, common-

stock price and corporate earnings from continuing operations before extraordinary items for most recent 12-month period.

EARNINGS PER SHARE: For most recent 12-month period. Includes all common-stock equivalents.
